We will have an entire truckload of brand new furniture from Macy's department store. Glen spent most of his life in North Idaho and was instrumental in making the auction profession what it is today in North Idaho. With being a life long auctioneer and North Idaho resident his estate reflects the North Idaho life style. Those that knew Glen knew that he was meticulous, and took great care of his possessions and only purchased the BEST! Glen believed in the auction method of marketing and this is how he wanted his estate to be dispersed. Come join us for the day and get your Christmas shopping taken care of. We as a family would like to thank all of you for your cards and letters with regards to Glen's passing. Everybody that knew Glen loved him as we his family love him. He will be greatly missed.
